

## **Driving Directions Airport to VILLA BELLA, 2000 España, Ocean Park**

When exiting airport road, turn Right (West) towards San Juan on Expressway #26 and stay in the right hand lane.

After about 8 minutes (depending on traffic) you will see signs to your right for exit "Calle San Jorge". Get off #26 and onto the marginal road at the exit sign that says "Calle San Jorge, Calle Del Parque, Ave De Diego, Condado" (has a diagonal arrow on it).

At the next intersection (traffic light) at Calle San Jorge, turn right. Continue straight through the next intersection with a traffic light (Calle Loiza) down King's Court until the next traffic light at the intersection with McLeary Avenue. Turn RIGHT onto McLeary and continue past 5 streets on your left. The next intersection (Gulf gas station, McLeary Mini Mart) is the Ocean Park entrance with guard house.

Turn left onto Santa Ana Street past the guard house at the intersection with Cacique Street. At the next "T" intersection turn right on España Street; at the next corner (España and Santa Cecilia) you will recognize the Villa from the photos we emailed you.

The driveway/parking spaces for the 2-story 3BR/2BA is on España St., and the separate entrance/parking spaces for the 1BR and the 2 BR units is on Santa Cecilia.

If you are taking a Taxi, DO NOT GIVE the property name (VILLA BELLA), or the brand name (EL PRADO), it will only confuse them. Please just give the street address, "Ocean Park- 2000 España Street, corner of Santa Cecilia Street"
